

1 DELEGATE BAMBERGER: Mr. Chairman, is it the  
2 intent of the committee that the plan which is drawn by  
3 the commission which would become law in the event of a  
4 failure of the General Assembly to act within 50 days,  
5 that that plan, the plan of the commission would be subject  
6 to a gubernatorial veto?

7 THE CHAIRMAN: Delegate Gallagher.

8 DELEGATE GALLAGHER: No, Mr. Bamberger. It is  
9 the intention of the committee that the commission plan  
10 not be subject to gubernatorial veto.

11 THE CHAIRMAN: Delegate Bamberger.

12 DELEGATE BAMBERGER: If the legislature enacts  
13 a plan, and that plan is vetoed by the governor, and more  
14 than 50 days have expired since the beginning of the ses-  
15 sion, does the plan submitted by the commission then become  
16 law?

17 THE CHAIRMAN: Delegate Gallagher.

18 DELEGATE GALLAGHER: Yes, it does.

19 THE CHAIRMAN: Delegate Case.

20 DELEGATE CASE: I too have a question I would  
21 like to submit to Delegate Gallagher.
